

Sample Answer Sheet

Instructions

- Print this answer sheet on A4 papers (single-sided).
- You can use only one copy of this answer sheet. It is NOT allowed to exchange answer sheet while taking this exam.
- There are total 2 answer boxes on this answer sheet. Note that not all these answer boxes will be used in the exam.
- You can use blank papers for notetaking.
- Write your answer to each question in the given box. Sentences outside boxes will not be counted in evaluation. Make sure that you write your name and student number on top of each answer box.
- Write clearly and legibly. Write in bigger letter than the sample sentence in an answer box. Small and/or illegible writings will not be counted in evaluation.
- You can submit an answer by uploading the photo of your answer. Take a picture to include all contents of an answer box, such as problem title, your name and student number.
- Take photos using native camera and DO NOT use any filter or image processing tools (e.g., scanner app). The resolution of each photo must be at least 2560×1440 . And the size of a photo file must not exceed 100 MB.
- You must submit all photos of your answers within 3 minutes after the exam terminates. Primary, you must submit these to Google Form (the URL will be announced when the exam begins). In addition, for back-up, it is recommended to upload the same photos to the Hisnet homework submission repositories. There will be multiple submission entries in Hisnet because the size of an attachment cannot exceed 20 MB.
